**Aguidesellingtool.**

Users can use a tool that makes “banking language” more tangible and aligned with their profile.

The *perfilador* provides meaningful results by asking just 5 question to users.

Each result has tailored content, including illustrations and CTA's.

## The solution.

### A guided selling tool.

Users can use a tool that makes “banking language” more tangible and aligned with their profile.

The *perfilador* provides meaningful results by asking just 5 question to users.

Each result has tailored content, including illustrations and CTA’s.

Yo...

**“Thank you.”**
